

844160

REMOTE CONTROLLER WITH REMOTE CONTROL FOR 24V DC MONOCHROME COB IC MAGIC STRIP LED STRIP

PRODUCT SPECIFICATIONS

Item code:	844160
Description:	Remote controller for 24V AC monochrome COB IC LED Strip
EAN13 code:	8435724906512

PARAMETERS

Voltage:	12-24VDC
Control pixels:	2048 pixels
N.º of effects:	28
N.º of pins:	3
Controller connection:	DC male connector cable

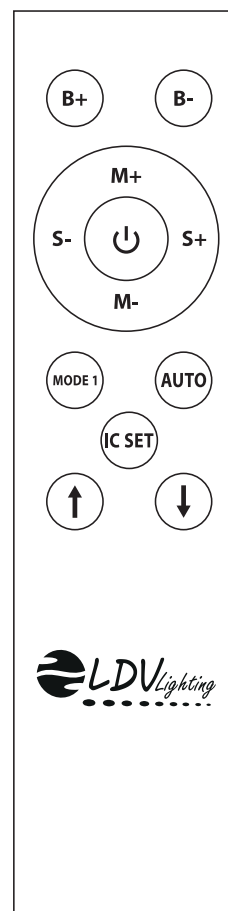

TECHNICAL DATA

Control mode:	Remote control
Remote control operating distance:	15 m
Remote control battery:	2x AAA
Battery replacement:	YES
